‘SHOWCASE’

DIGITAL SLIDE SHOW COMPETITION

MONDAY, JUNE 13th - 7:00 pm - Clubhouse 3, DR 2

It is nearing time for another Competition Showcase. Recognizing the increased popularity of slide shows in digital format and exciting new software, the Camera Club will conduct its third annual Digital Slide Show Competition.

The Club will accept digital slide shows of pictorial, altered reality, travel, nature, photojournalism, and more. Here is a chance to create a show from your digital images. So select your best pictures that follow a theme or subject, add titles, narrative and music and be creative.

At the conclusion of the shows, the audience will judge the entries and prizes will be awarded to the three shows receiving the most votes.

All shows must be submitted no later than May 31st.

Start preparing your show now!
